Perry Johnson Registrars, Inc. Announces Metal Industries, Inc. ISO 9001:2015 Certification

Troy, MI June 5, 2017 — Perry Johnson Registrars, Inc. is pleased to announce the certification of Metal Industries, Inc. to the ISO 9001:2015 standard.

Metal Industries, Inc. has been at the forefront of HVAC industry supplies for 70 years. American-owned since being founded in 1947, Metal Industries, Inc. is built on a foundation of integrity and respect. With a keen focus on customer satisfaction and the utmost quality in their products, Metal Industries, Inc. adds ISO 9001:2015 certification to an already-impressive reputation as a supplier in the industry.

Offering HVAC components from grilles and registers to louvers and dampers, Metal Industries, Inc. brings their expertise to every aspect of design and performance. Products from Metal Industries, Inc. go to market under their commercial brands: METALAIRE, USAIRE, NCA, and Performance Aire. Both commercial and residential applications are catered to in the Metal Industries, Inc. family of companies, and select facilities have been awarded recognition from both OSHA and STPS.

Being ISO 9001:2015 certified means providing customers with confidence that:

- their primary focus is on the needs of customers
- their leadership is focused on establishing unity and direction
- team involvement and participation is emphasized
- processes are controlled as an approach to quality management
- leaders and management groups coordinate to achieve improved productivity
- increased performance is achieved through continual improvement
- decisions are made most effective by thorough analysis and interpretation of data
- optimization of resources and costs is achieved by mutually beneficial supplier relationships

All ISO 9001:2015 certified businesses effectively demonstrate their continuing dedication to quality and customer satisfaction above and beyond the normal practices of uncertified organizations. By demonstrating this dedication through certification, the 70-year-long reputation of Metal Industries, Inc. is further emphasized.
